World Day of Prayer for Vocations

Today the Church throughout the world prays for vocations. Will you make a special effort to ask the Lord for more vocations to the priesthood and religious life?

- Pray for priests who have ministered to you throughout your life, both living and dead.
- Keep our parish priests in your prayers throughout the week.
- Encourage your children, grandchildren, or other young people to consider a vocation as a priest or religious brother or sister.
- Pray a rosary for more young men and women in our diocese to respond to God's call.

I wanted congratulate the newly confirmed Catholics. They participated and showed respect to the teachers & fellow students. It was very enjoyable spending Sunday mornings learning about our faith and how to live our lives. As they know, this is a beginning not the end, and God and His Church will always be there for them. They are great young adults, and they are leaders, not followers. Thanks to all the parents! You should be very proud of your kids! Also,

thanks to Tammy and Paul for their assistance, knowledge and perspective while teaching. I learned a lot from them. *Doug Bruner*

Next weekend, April 21/22nd, there will be a second collection for Catholic Home Missions, which supports U.S. mission dioceses that are unable to offer their people the basic pastoral ministries of word, worship, and service without help.

Needed: Boys and girls from grade 3 and older to serve weekend Masses. We are graduating three more seniors that have faithfully served for many years. We thank them for their dedication and service and now we need younger boys/girls to learn to serve. We encourage our youth to sing in the choir or to serve – being active and participating in the Mass engages our kids and gives them an active role in our faith community. In their first year of serving, they will always be scheduled to serve alongside older, experienced servers. Please promote this idea in your home discussions and contact Steve Knecht, 812-744-5184, if you have a server volunteer in your family.
